Refugee Chords by **Tom Petty and The Heartbreakers**

Difficulty: beginner Tuning: E A D G B E

Key: F#m

CHORDS

Great song by Tom Petty, I was disappointed with the version that is posted, despite having 5 stars

and some good comments I thought it was incomplete, messy, over complicated and a little inaccurate,

so I thought I'd post my version, it's easier to follow (I think) and is complete.

This is an easy song to play along to and great for a beginner. Please feel free to rate, comment, criticise etc.

The chords to this song are fairly simple. Most of the chords are played in a boogie take this for example;

Shuffle in E:

But the G in the intro and at the beginning of the verses is more of a riff, and is played like so:

And that's the explanation, here's the chords:

[Verse]

I been up, I been down.

C

Take my word, my way around.

G

I aint askin for much.

D

C

I said, lord, take me downtown,

G CC# D

Im just lookin for some tush.

[Verse 2]

C

I been bad, I been good,

C

Dallas, texas, hollywood.

G

I aint askin for much.

(

I said, lord, take me downtown,

G CC# D

Im just lookin for some tush.

[Solo]

[Verse 3]

G

Take me back way back home,

C

Not by myself, not alone.

G

I aint askin for much.

I said, lord, take me downtown,

G

Im just lookin for some tush.
